Hi, Tony. I cannot get the system to allow me to edit the version of the document that is on Sharepoint. Would it be possible for you to download it and send it to me? I only need to tweak that one sentence. Thanks.

Hi All – Attached for your immediate review and comment is the briefing material in the link below for the Administrator's attendance at the White House Tribal Nations Conference on Monday and related events on Tuesday and Wednesday, including EPA's Listening Session with Tribal Leaders. **OITA has requested comments today, ideally later this afternoon.** Sorry for the quick turn around on this document, which we just got.

Below is a roadmap of the hot topics in the document by law office. Please share this message with anyone else in your law office who should review the relevant hot topics. If you have any line edits or other comments, please make them in the SharePoint document, which all OGC attorneys have been granted access to.

If you have any questions or need more time to complete your review, please let me know. Thanks much!
